

PURPOSE AND ROLE OF THE BOARD

The purpose of the School Board shall be to provide an educational program in accordance with the desires of the patrons of the district within their ability and willingness to support such program.

As an elected body the Board welcomes input from the community in the establishment, maintenance, and improvement of the educational program.

The School Board is a policy-making body, and will employ a Superintendent who will be charged with the implementation of Board policy and the day-to-day administration of the schools.
